

Factories Represented

Ameristar Mfg.

www.ameristarmfg.com

CNC Machining, Sheet Metal Fabrication, Precision Laserjet & Waterjet Cutting, Welding and Assembly, Short Run & Long Run Stamping.

CIT Relay & Switch

www.citrelay.com

CIT Relay & Switch is an industry leading manufacturer of RoHS compliant Electromechanical Relays & Switches including: Board & Panel Mount Tactile Switches, Push-Buttons, Toggles, Slide Switches, Micro-Switches, Anti-Vandal Switches. Relays: Socket Mount, PCB Mount, Latching, Automotive.

Electronic Interconnect

www.eiconnect.com

One stop printed circuit boards solution for all your requirements from prototype to production. 36 Layers Standard, 56 Layers Advanced. Panel Size: 23" x 35" Standard, 23" x 55" Advanced Board; Thickness: 0.006" - 0.235" Standard, 0.006" - 0.390" Advanced. AS9100, ISO/TS 16949:2009 certified, ITAR Registered, RoHS compliant, and UL approved.

Environmental Coatings Inc.

www.envcoatings.com

Environmental Coatings Inc. manufactures industrial coatings for a plethora of substrates, many of which are custom-formulated for exacting requirements within known industrial and manufacturing environments.

ER Wagner

www.erwagner.com

World class manufacturer of custom and stock hinges, casters, and machined and wrapped tubes. Industries served include Industrial, Commercial, Heavy Equipment, Automotive, Food Service, Medical, Marine, and Military.

Hartland Controls

www.hartlandcontrols.com

Hartland Controls specializes in the design and manufacture of mission critical electrical contactors, class II transformers, capacitors, relays, auxiliary switches and configured assemblies.

Insulfab

www.insulfab.net

Custom Fabricated & Die Cutting Services. Water/Laser Jet Cutting and CNC Routing/Machining. Thermoforming Plastics & Foam. Custom Foam and Gasket Solutions. EMI/EMF Shielding. Thermal and Acoustical Solutions. Specialty Tape Solutions.

IDEAS MADE IN METAL™

Maysteel

www.maysteel.com

Specializes in Designing, Engineering & Manufacturing Custom, Precision, OEM Sheet Metal Enclosures, Electrical Cabinets and Metal Fabricated Assemblies.

Mega Electronics

www.megaelectronics.com

Power Cords for North American & International Plug and Agency Requirements, Including Industry Standard and Custom Build to Print. Power Supplies Include Wall Plug-In, Desktop, Din Rail and Open Frame for Commercial, Industrial and Medical Applications. DC/DC Converters from 0.25W to 200W for Through-Hole, SMD and Chassis Mounted Options.

Factories Represented

Micro

www.mic-tec.com

Miniature Pressure, Vacuum, and Differential Switches. HVAC Pressure and Vacuum Switches. Snap-Action Door Switch.

Design and prototyping solutions from concept to manufacturing. MicroTech provides solutions for complex projects with one-stop tooling, molding, stamping, automated assembly, calibration and testing. Microtech provides solutions in sourcing your more demanding OEM component challenges.

Minco

www.minco.com

Quality engineering solutions for thermal, temperature sensing and control, and flex circuit technologies. Flex Heaters: SmartHeat™, Polyimide, Polyimide Thermofoil, Silicone Rubber, Thermal Clear, Mica, PTFE Teflon. Sensors: Temperatures, Humidity, Level. Controller & Transmitters. Circuits: Flex, Rigid-Flex, HDI, Multi-Layer.

Multi Products

www.multiproducts.com

U.S. Designer and Manufacturer of Sub-Fractional Shaded Pole AC, Synchronous AC, and Brushed & BLDC DC Gear Motors. Torques ranging up to 200 in-lbs for AC applications and 100 in-lbs for DC applications. Support Applications for Miniature and Planetary DC Gear Motors.

NIBCO

www.nibco.com

NIBCO® is the Most Reliable Name in Flow Control. Product Diversity, from Valves and Pipe Fittings, to Tubing and Pipe. Expertise from Engineering and Service, to Selection and Submittal Assistance.

Revcor, Inc.

www.revcor.com

Plastic and Metal Fan Blades, Blower Wheels, Blower Housings and Blower Packages. AC & DC Single and Double Scroll Blowers. HVAC, Appliance, Industrial and Commercial Air Moving Products.

SMT Hautes

www.smttechnology.com

A leader in the assembly of highly complex EMS solution from PCB Assemblies to full-turn key solutions requiring high standards of quality and short manufacturing lead times. Services include design, test solutions, manufacturing, engineering, cost reduction, DFM, DFA & DFT analysis, and many others.

SMT Hautes Partnerships for Customer Solutions: Innolabs provides custom outsource design services to support new product design and cost down R&D solutions. Kingtronics is a premier source for high-volume EMS solutions.

Standex-Meder

www.standexmeder.com

Reed Switches & Relays: Fluid Level, Proximity, Motion, Water Flow, HVAC Condensate, Hydraulic Pressure Differential, Capacitive, Conductive & Inductive Technologies. Magnetics: Planar Transformers, Inductors, Current Transformers, Rogowski Coils, High- & Low-Frequency Transformers & Inductors, Military, Space & Aerospace Magnetics; Antennas & Coils; Hermetically-Sealed Connectors.

Therm-O-Disc

www.thermodisc.com

Temperature Controls & Sensors for the HVAC, Automotive and Appliance Industries. Humidity, NTC and PTC Sensor Probes.
